

Design: Beck Design

freistil 160

PROFILE

TECHNICAL DESIGN

- / Wooden inner frame
- / Spring system: nosag spring
- / Seat in polyurethane foam "density" 37 kg/m³
- / Back in polyurethane foam, "density" 30 kg/m³
- / Standard foot: Tubular steel leg, fine-grain, powder-coated RAL 9005 jet black

The data of "density" can vary in a range of +/- 10%.

INFORMATION

- / Choice of seat height 40, 43 or 46 cm. However seat height 46 cm is only possible with the solid steel leg, tubular steel leg and tapered foot oak (even sloping conical bases). Please specify on ordering.
- / Normal-depth models and over-depth models can be coupled together.
- / Corner groups only of ASOs always consist of models with the same orientation: K-ASO left + K-ASO left, and K-ASO right + K-ASO right.
- / The range is only suitable for velour covers to a limited extent. The fell seams and piping can lead to lines in the pile.
- / With modular systems, velour covers can lead to different pile alignments and therefore to different shine properties.
- / There are more dividing seams in leather covers than in fabric covers. Detailed information about this can be found in the Info section.
- / The legs can be positioned either slightly inwards or directly at the corner in this range. If you would like them positioned slightly inwards, please specify this when placing your order. Only legs that are underneath a side section are positioned slightly inwards. The ASS-PSZ model always has legs that are positioned slightly outwards due to the risk of tipping.
- / Only valid for pouf 160/68 x 68:
Fabric piping in grey or anthracite; faux leather piping in brown/grey or black.

High-quality, casual upholstery that forms waves/leaves indentations that are typical of the material.

LEG VERSIONS – shifted outwards

Tubular steel leg, RAL 9005 Jet black	Steel leg, polished chrome	Steel leg, dusty grey	Steel leg, RAL 9005 Jet black	Tapered foot, oak natural	Tapered foot, oak brown stained	Solid steel leg, RAL 9005 Jet black	Tubular steel frame, polished chrome
